

# Confirmation Sermon Conversation

Instructions: Feel free to take notes during the sermon. After the worship service engage in a 10 minute conversation between parent/AAA adult and confirmation student about the 4 questions on this sheet. Then each participant signs the sheet and places it in the appropriate wire mesh organizer outside pastor's office.

**What does the sermon say about your sin? Use "I" statements and make it personal for you.** (Law –

SHOWS OUR SIN. What have you been doing, thinking, or saying against God's will **according to the sermon?**)

**What does the sermon say about Jesus Christ?** (Gospel –

SHOWS US THE SAVIOR. What in the sermon especially helped you to understand what Jesus has done for us? What is the greatest work of Jesus and how does that affect our sin?)

**Recap the sermon's message in ONE sentence** (What is the main point of this sermon?)

**How does this apply to your faith and/or life?**

**Ask Questions** (What do you want to ask/understand?)

Dear Parent/AAA Adult: Thanks for your participation in this process. Recent studies continue to reinforce that **the main** faith influencers on a child during this time are the parents and AAA adults. Exercise this awesome privilege then with some solid discussion about the sermon. Show them your faith walk as well!

We talked about these questions together:
